Public Safety Announcement

DRIVER SAFETY

VT state law requires drivers to yield to Emergency Response Vehicles, with lights flashing, or sounding a siren.

If you are being approached by an Ambulance, piece of Fire Apparatus, or Law Enforcement vehicle with lights flashing, or sounding a siren:

- When you can do so safely, pull to the right of the lane of traffic
 - Come to a complete stop
- Wait until you are sure all emergency vehicles have passed before re-entering the travel lane.

If you are approaching a stationary Ambulance, piece of Fire Apparatus, or Law Enforcement vehicle with lights flashing, or sounding a siren:

- Proceed with due caution
- If possible, and safety conditions permit, you must leave an empty lane beside the Emergency Response vehicle.

Thanks for helping us keep the roads safe for everyone.
